

HIGH SCHOOL TO LOWER COLUMBIA COLLEGE MATHEMATICS TRANSFER GRID

The grid below establishes a **minimum placement level** at Lower Columbia College (LCC) based on the grade earned in the last mathematics course completed in high school. Please note that students will still need to take the placement exam at LCC for data purposes and to determine if their current skills and knowledge warrant a higher level of placement.

LAST HIGH SCHOOL MATH COURSE COMPLETED							
GRADE EARNED		ALGEBRA 2	ALGEBRA 2 (with Trig)	STATISTICS	MATH ANALYSIS	PRE-CALCULUS	CALCULUS
	A	First Tier	First Tier	Statistics	First Tier	Pre-Calc II – Trig	Calculus I
	A-	First Tier	First Tier	Statistics	First Tier	Pre-Calc II – Trig	Calculus I
	B+	098/099	First Tier	Statistics	First Tier	First Tier	Calculus I
	B	098/099	098/099	Statistics	098/099	First Tier	Pre-Calc II – Trig
	B-	Placement Test	098/099	Placement Test	098/099	098/099	Pre-Calc II – Trig
	C+	Placement Test	Placement Test	Placement Test	Placement Test	098/099	First Tier
	C	Placement Test	Placement Test	Placement Test	Placement Test	098/099	First Tier

- × This agreement applies to students from the following **eight local high schools**:
 - ✓ Castle Rock High School
 - ✓ Kalama High School
 - ✓ Kelso High School
 - ✓ Mark Morris High School
 - ✓ R.A. Long High School
 - ✓ Toutle Lake High School
 - ✓ Wahkiakum High School
 - ✓ Woodland High School
- × Students must provide an **official high school transcript** indicating the appropriate grade has been earned in the 2nd semester of their most recent high school math course.
 - ✓ 1st semester grades may be used for provisional placement until official transcripts are available at the end of the school year.
- × Students must register for a mathematics course **within one academic year** of completing the qualifying high school mathematics course.
- × **First tier** college mathematics courses include:
 - ✓ MATH& 107 - Math in Society
 - ✓ MATH 125 - Applied College Algebra (Finite)
 - ✓ MATH& 131 - Math for Elementary Teachers I
 - ✓ MATH& 141 - Pre-Calculus I
 - ✓ MATH 210 - Elements of Statistics
 - ✓ BUS 206 - Statistical Methods
- × Students may use either the **transfer agreement or placement test results** to determine their initial mathematics placement at LCC.
